INSTRUCTIONS AND GENERAL INFORMATION

Use this form to designate or change the person, estate, trust or organization to receive any money due from your retirement and/or DCP account at the time of your death.

Please print in dark ink, make a copy of the completed form for your records, and return it to DRS. Do not use felt tip pens.

Before you complete the form, please note:

- This is one of the most important documents associated with your retirement account.
 Read and complete all sections carefully. If you have any questions, please call us at 800-547-6657.
- Your retirement plan may have provisions that limit your beneficiary designation.
 Check your handbook (available online at www.drs.wa.gov) for details.
- We will pay any benefits due after your death based upon the laws in effect on the date of your death. A beneficiary designation may be invalidated in certain circumstances. See your plan handbook for more information.
- If you are receiving a survivorship benefit from someone else's DRS retirement plan, call us to request a Beneficiary Designation for Persons Receiving Survivor Benefits.
- If you have money in more than one retirement system or program, and you would like to designate different beneficiaries per plan; please complete a *Beneficiary Designation* form per plan/program.

When filling out your beneficiary designation(s):

- If you name a person, always show that individual's legal given name. For example: MARY K. DOE, not Mrs. Robert Doe.
- If you designate a trust, your trustee will be required to provide DRS with a full copy of the trust document at the time of your death.

- Please be aware that a beneficiary under the age of 18 will not be allowed to make claim until reaching legal age. A claim cannot be made on behalf of a child without court-issued Letters of Guardianship.
- The one-time duty-related death benefit is separate from your retirement benefit and is available if you die as the result of injuries sustained during employment or from an occupational disease or infection that arose naturally and proximately out of employment. Judicial Retirement System members are not eligible for this benefit.

Signing the form:

- If your signature can only be made by mark, it must be witnessed by two individuals who sign in the area below your signature and initial next to the mark.
- An attorney-in-fact cannot sign for you unless the Power of Attorney documents specifically grant the power to designate a beneficiary.

Submitting the form:

- Your beneficiary designation is not valid until it is fully complete, signed and received by DRS. Please submit it directly to DRS, not to your employer.
- If you are the Power of Attorney submitting this form you will also need to send the following:
 - 1. A photocopy of the Power of Attorney document that grants you the power to designate a beneficiary.
 - Affidavit of Attorney-in-Fact completed and notarized. You can access this form from our website at www.drs.wa.gov under forms
