

Royal School District Vision Plan

Mission

Our mission is to ensure an excellent education for all students. We are committed to providing a positive social, emotional and physically safe learning environment. We make every effort to produce a high quality educational system that continues to foster our sense of pride and promotes excellence for all.

Vision

A tradition of pride and excellence where all are respected, valued, safe and engaged in challenging and relevant lifelong learning

Theory of Action

The most effective way to ensure an excellence education is to improve instructional practices. By helping our staff improve their practices, we will provide a high quality educational experience for all.

Commitments

- 1 Ensure that safety is our number one priority
- 2 Gain and maintain the trust and confidence of our community
- 3 Promote fiscal responsibility with focus on priorities

Commitments

- 4 Hire exceptional staff who match the ideals of our motto, mission and vision
- 5 Instill high levels of learning for all children regardless of differences
- 6 Graduate students who are contributing citizens and college- and/or career-ready
